The following was the Report of the Directors
submitted at the annual meeting, Sept 9th 1889.

The Directors take pleasure in making
the Fifteenth Annual Report of the Young Men's Library
Association for year ending March 1st 1889.

Their desire to furnish good reading matter
for the public has been rewarded with reasonable
success, there being an increase of 253 volumes
issued for the last five months, above the same
period of time, the preceding year. This shows
that notwithstanding the fact of the vast amount
of cheap books and newspapers, that this institu-
tion has a place and mission to fulfill in
our city.

More than 50,000 volumes have
been issued since the Library was organized.

Sixty nine (69) books have been added by
purchase, and a number of public documents
have been received, that are a valuable addition
to our Library. The total number of volumes now
is 2274.

We can point with pride to the collection of
